

Meet Iris

Eye Care and Vision Associates's new AI Scheduling Agent

When you call to **schedule**, **reschedule**, **cancel**, or **confirm** an appointment, or to transfer to a specific department, Iris will be there to help. She's designed to make things easier and faster for you. Iris is still learning, so be patient with her as she gets to know our practice. A member of our team is always here if you need additional support.
