Extern Rotations/Clinic Experience

3rd Year

- **Primary Vision Care** ~ Routine eye exams and care for the public.
- **Lutheran Social Services** ~ Routine eye exams for homeless, uninsured, and low-income patients in downtown Columbus,
- **Advanced Ocular Clinic** ~ Problem focused clinic that focuses on the treatment of acute and chronic ocular disease such as glaucoma management and red-eye treatment.
- **Eyewear Gallery** ~ Assistance to the Ohio State Optical Department to fit patients with glasses, adjust lenses/frames, and manage all glasses orders.
- **Vision Therapy** ~ Working closely with patients weekly to enhance their binocular capabilities and reduce symptoms/strain on their visual system.

4th Year Extern Sites

- **Salt Lake City VA, Utah** ~ Clinical experience in optometric practice with special emphasis on patient populations that are at a high risk for ocular disease and ocular manifestation of systemic disease. Extensive management of acute and chronic ocular disease, as well as exposure to treating patients with specialty contact lenses.
- **Metro Health Medical Center, Cleveland** ~ Clinical experience for a diverse population that works directly with the Cleveland Clinic Ophthalmology program. Exposure to glaucoma, pediatrics, neuro-ophthalmology, retina, and cornea specialty clinics; as well as surgical observation.
- **The Ohio State College of Optometry (In-House Rotation)** ~ Clinical experience with the Binocular Vision, Pediatrics, and Low Vision specialty clinics.

WORK EXPERIENCE

Walmart Optical Internship, Niagara Falls, NY

Technician

Summer 2023
